  - Standard household waste and recycling collection schedules resume on Friday, September 15<sup>th</sup>. There will be no make-up collections for missed recycling.
  - Standard yard debris collection schedules will resume Monday, September 18.
- Curbside Collection of Storm Debris:
  - Debris contractors will begin collecting storm-related debris throughout St. Johns County in the coming days
  - Storm Debris must be piled at the curb.
  - Do not bag, barrel, or mix with household waste.
  - Debris contractors will make multiple passes until clean-up is complete.

## LOCAL ACTIONS

- Due to the ongoing Hurricane Irma response and recovery effort, the St. Johns County Board of County Commissioners regular meeting scheduled for Tuesday, September 19 has been cancelled. In addition, the budget hearing previously scheduled for September 19 has also been cancelled, and the state has waived all budgetary timelines.
- St. Johns County damage assessment teams continue the preliminary damage assessment of St. Johns County.
- St. Johns County Road and Bridge crews continue road clearing operations throughout the County.
- St. Johns County athletic fields are closed until debris can be cleared and necessary repairs completed. Residents and visitors are encouraged to exercise extreme caution if visiting St. Johns County parks due to fallen trees, damaged equipment, and standing water.

- Due to significant damage, erosion, and debris, as a result of Hurricane Irma, St. Johns County is urging all residents and visitors to avoid the beach, beach access points, and walkovers until further notice. Swimming in the ocean is also discouraged due to high surf, rip currents, and debris.

**The next Situation Report will be issued at 1300, Thursday, September 14, 2017.**
